

DESERT GAME RENTALS - 2018

Baseball

Batting Cage

17' H x 35' L x 16' W (25 amps)

Hey batter, batter, batter . . . swing batter! Need something different for your little league event? Players attempt to hit wiffle balls from a pitching machine, which can be adjusted for kids as well as adults.

Home Run Derby

7' 6" H x 14' D x 13' 4" W (6 amps)

You think you got what it takes? Then step on up to the plate. This game simulates a pitcher throwing a baseball as the player attempts to hit home runs and progress through the game. There are three levels of difficulty (beginner, intermediate, & advanced) & each player gets 6 pitches per game. This is one of the best baseball games out there right now. 1 player

Speed Pitch

15' H x 18' L x 12' W (12.5 amps)

Bring the heat, if you got it? Players attempt to throw a baseball as fast as they can. A radar records the speed of the ball and displays it on an LED display.

World Series 99

Brings all the action and excitement of the fall classic to your location. Featuring every team and player from the 1999 Major League Baseball season! Hit homers like McGwire, throw heat like Johnson, steal bases like Henderson or field like Jeter! World Series 99 lets players control the action. They pick the starting pitcher, set the lineup, make substitutions, and call the plays.

Basketball

Doubleshot Basketball

89" H x 90 1/4" D x 46 1/2" W (1amp)

Simply put, this game is fun. Step up and start shooting baskets. Player(s)

have 30 seconds on the shot clock to score as many baskets as possible.
An LED readouts displays your score
1 to 2 players

NBA On NBC (Sports Station)

77 1/2" H x 43" D x 37" W (4 amps)

Wanna get some full court action going? Then try this game. Choose from all your favorite NBA teams and players and go head to head to see who's got the skills? This game also comes with NFL Blitz (football) in which players can also choose from their favorite NFL teams and players. This game can play from 1 to 4 players at a time for some serious gaming.

Bowling

World Class Bowling

76 1/2" H x 56" D x 47 1/2" W (5 amps)

This game is addicting. Unlike most games where you have to do multiple things, this game is plain and simple, but skill is required. Just like real bowling, players get ten frames each and try to score the highest points possible. Are you a bowling nut, well then this game is for you, because the 7 - 10 split is just sitting there! Are you calling it?

1 to 2 players

Boxing

Mocap Boxing

88" H x 63 1/2" D x 47 1/2" W (3amps - 900lbs)

Let's get ready to rumble! Put on the gloves and come out swinging.

Players attempt to battle through the ranks and make it to the championship title fight. Players must duck and move avoiding the punches being thrown by the opponent. A motion sensor system detects your movements throughout the game, and if you're not quick enough you'll get knocked out! 1 player

Classics

Asteroids

72 5/8" H x 31 1/2" D x 25 1/4" W (3 amps)

You loved this game growing up. Play it again, and this time watch out for the little flying saucer!

Centipede

71 3/4" H x 32" D x 25 1/2" W (3 amps)

Remember this one? Straight out of 1980. This game was so much fun and now you can play it again

1 to 2 players

Classic Cocktail Table

29" H x 32 3/4" D x 22 1/4" W (4amps)

This game is packed full of your classic games. Simply choose a title and start playing.

(Ms. Pacman, Galaga, Frogger, Donkey Kong, Donkey Kong Jr., Space Invaders, Centipede, Dig Dug, Mr. Do) 1 to 2 players

Classic 4 Combo

76 1/2" H x 41 1/2" D x 28 1/4" W (4 amps)

This cabinet features four of the classics all wrapped into one.

(Centipede, Millipede, Missile Command & Let's Go Bowling.) 1 to 2 players

Galaga

67 1/4" H x 33" D x 29 3/4" W (3 amps)

Here's another of everyone's favorite game. With the amount of money you spent on this game as a kid, you probably could own a mansion? 1 to 2 players

Ms. Pacman Galaga Combo

This game feature two titles in one cabinet. Both are classics. You can't go wrong with this game.

Namco Classics

77" H x 40 1/2" D x 34 1/4" W (3 amps)

This game features 3 game titles (Pacman, Rally X & Dig Dug.) But wait, it doesn't stop there. Each title has the classic version of the game as well as a new advanced version. So you actually get 6 games in one cabinet.

Nice! 1 to 2 players

Pacman

68 1/4" H x 33" D x 24 3/4" W (3 amps)

Here you go. The game that started it all. . . . Pacman. 1 to 2 players

Tetris

29" H x 32 3/4" D x 22 1/4" W (4amps)

This game will drive you crazy. It's so addicting you just can't stop. 1 to 2 players

Tron

69 3/4" H x 36" D x 25" W (3 amps)

Here is another fantastic classic. Play as Tron and progress through multiple levels in this futurist game based on the movie.

Ultra-Cade

81" H x 64" D x 43 1/2" W (3 amps)

Here's an awesome game. This cabinet features 25 games. That's right! Choose from 25 different titles and play, and play, and play (1941: Counter Attack, 1942, Black Tiger, Champion Wrestler, Commando, Exed Eyes, Ghosts n' Goblins, Ghosts n' Ghouls, Gun Smoke, HiGeMaru, Legendary Wings, Mat Mania, Mega Man: Power Battle, Qix, Section Z, Street Fighter II: Champion Edition, Street Fighter II Turbo - Hyper, Slammasters, Son Son, Street Fighter, Street Fighter II, Strider, Trojon, Varth: Operation Thunderstorm, Vulgus). 1 to 2 players

10' H x 30' L x 10' W (12.5 amps)

Players are strapped into a harness and attempt to run the length of the inflatable and place a velcro pad at the end. Here's the fun part . . . everyone goes flying backward! And that's the best part!

Cameron The Caterpillar

5' H x 55' L (25 amps)

This is great for the little kids to climb through and have a fun time

Extreme Sports Challenge

6' H x 15' L x 26' W (12.5 amps)

This is a two player tug-o-war game, where players are strapped in together via a bungee cord. The object is to attempt to score baskets while trying to pull against the other opponent. The fun part is when the bungee reaches it's stretching point, the players are pulled backwards, while the onlookers laugh as much as the participants.

Football Toss

17' H x 18' L x 12' W (12.5 amps)

Players attempt to throw a football through a hole in a canvas backdrop and when they score the crowd can be heard cheering you.

Golf Driving Cage

16' H x 35' L x 16' W (12.5 amps)

Are you a heavy hitter? Then test your drive on this inflatable. A radar detection system calculates the speed of the ball and translates it into distance (yardage) So if you are a golfer, you'll love this game.

Human Foosball

8' H x 50' L x 30' W (12.5 amps)

This inflatable is based on the classic foosball game, the twist to this one is that you actually have people playing! Each person is fastened to a belt which allows them to move side to side and kick a ball in the other teams goal. A minimum of 10 people are required to make the game playable

Jousting

3' 4" H x 18' L x 26' W (12.5 amps)

Players attempt to knock each other off a pedestal with a jousting stick and claim victory.

Ladder Crawl

10' H x 22' L x 18' W (25 amps - two 20 amp circuits required)

Players attempt to climb a ladder and reach the top without falling off.

Laser Tag

7' H x 30' L x 50' W (40 amps - three 20 amp circuits required)

2 to 8 players are equipped with a vest and laser gun and divided into two teams (green team & red team) As the participants enter the inflatable the vests automatically activate and the game begins. An electronic scoring system built into each vest keeps track of each players (hits & kills) and displays a reading after each session.

Mechanical Bull

3' H x 16' Diameter (12.5 amps)

Here's one of our most popular inflatables. Players attempt to stay on the bull without getting bucked off.

Mega Obstacle Course

22' H x 100' L x 14' W (50 amps - 4 20 amp circuits required)

This is great for team building or outside activity. 2 players race through rope walls and various obstacles and climb a huge 22' slide and go down the other side

Multi-Purpose Inflatable

Use it for any activity you want, hockey, baseball, or just a booth for various activities

Obstacle Course

10' H x 45' L x 14' W (25 amps - two 20 amp circuits required)
2 players race through rope walls and various obstacles

Scramble Slide

22' H x 55' L x 14' W (25 amps - two 20 amp circuits required)
Climb up and slide down

Snowboard Simulator

8' H x 19' L x 15 1/2' W (20 amps)
This snowboard simulator features a 360 degree turning radius with variable speed control. Try to stay on the board and ride as long as you can, because eventually you're goin' down!

Soccer Kick

17' H x 18' L x 12' W (12.5 amps)
Players attempt to kick a soccer ball through a hole in a canvas backdrop and when they score the crowd can be heard cheering you.

Speed Pitch

15' H x 18' L x 12' W (12.5 amps)
Bring the heat, if you got it? Players attempt to throw a baseball as fast as they can. A radar records the speed of the ball and displays it on an LED display.

Surf Simulator

10' H x 22' L x 16' W (20 amps)
This inflatable is one of our best. This surf simulator features a 360 degree turning radius with variable speed control. Try to stay on the board and ride the wave as long as you can, but don't get too confident or you're goin' down!

Interactives

Dance Dance Revolution

Cabinet-89 1/2" H x 29" D x 47 3/4" W (4 amps - 575 lbs) Floor-6 1/2" H x 42 3/4" D x 70" W 440 lbs

You want a game that's sweeping the nation and has the kids going crazy? This game will give you a workout just watching it. Players dance on a pressure sensitive dance floor and time their steps to the music as the arrow indicators on the screen go by. Timing and rhythm is key. There are various levels of intensity as well as a wide range of mixed music especially designed for this game. As the player(s) advance through each level the intensity becomes harder. 1 to 2 players.

Double Shot Basketball

89" H x 90 1/4" D x 46 1/2" W (1amp)

Simply put, this game is fun. Step up and start shooting baskets. Player(s) have 30 seconds on the shot clock to score as many baskets as possible.
